

#775-777

Performance Collection

ERGO X-TREME™

100% nitrile solid-top or drainage-optional surfaces offer the highest level of performance for the toughest oily applications

USES

- Heavy-Duty, Wet/Dry/Oily Areas
- Factories
- Work Stations
- Finishing/Assembly Stations
- Machine Shops
- Large Work Cells
- Auto Manufacturers
- Power Transmission Facilities

BENEFITS

- Aggressive-patterned top surface ensures maximum foot contact
- Minimizes trapping of small parts
- Hundreds of multi-dimensional ergo feet underneath matting encourages proper fatigue relief
- Modular mat can be assembled to fit any area
- Best performance for harshest environments
- Exclusive "Sure-Snap" system holds mats together
- 100% high grade oil and grease-proof molded nitrile rubber

PROPERTIES

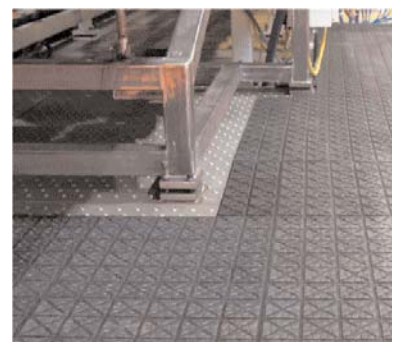

- Thickness: 3/4"
- Material: 100% high-grade nitrile
- Anti-Fatigue
- Accessories available
