

The most efficient and innovative wiper there is, Dust-Star™ contributes to improving the air quality and cleanliness of your facility!

- Preventive solution that will keep dirt from spreading onto your floors
- Ensures better air quality than any other known entrance mats
- As a Performance Collection mat, this premium product will gather pounds of dirt and will not let you down!

DUST-STAR™ APPLICATIONS

For interior areas with heavy traffic over 1,500 persons per day. e.g.: University, Airport, Hospital, Large retail store, Shopping mall, School

FEATURES

- Unique microfiber/olefin blend with incredible dust retention properties
- Positively charged microfibers will attract hair, lint, dust and keep them from polluting the air
- Holds close to three times more liquid than our standard Rely-On™ Olefin wiper
- ThermoFlex™ vinyl backing offers superior floor protection
