

*Ergo-Ease™ is the softest and most durable solution for tough, demanding areas!*

- Rib design promotes drainage of liquids and chemicals creating a safer work environment
- Helps to maximize productivity of workers by reducing fatigue and discomfort from standing for long periods
- As a Performance Collection mat, this product will give you maximum durability and comfort
- Easy maintenance: simply hose off or damp mop

**ERGO-EASE™ APPLICATIONS**

Provide heavy duty applications for dry areas e.g.: Dusty Work Station, Slippery Work Station, Tough Industrial Area, Quality Control and Packaging Station

**FEATURES**

- Dual-layer foam hermetically sealed in a rubber shell
- Rib design provides light drainage and good chemical and slip resistance
- High-quality foam provides softness and comfort for leg and back relief
- Made from 60% recycled material
