

MAT-LOCK™

Factory-applied, full-mat backing for hard surfaces like marble, wood, terrazzo, ceramic tile and linoleum

USES

- Highly-effective backing for most Crown carpet-top mats or anti-fatigue mats
- Can be ordered on all carpet-top mats except Super-Soaker, Aqua-Dome, Cobblestone, Obdura, Dura-Dot and Protura

BENEFITS

- Mat-Lock will not stain or scratch hard surface floors
- Helps reduce the amount of mat movement
- Applied during manufacturing only

PROPERTIES

- Thickness: (Average) 3/32"
- Material: Vinyl plastic foam over polymer scrim
- Backing System
