

Spark-Safe™ anti-fatigue welding mat is resistant to sparks, adding to workers safety and comfort.

- Spark-Safe™ specially formulated spark resistant rubber surface decreases the chance of fire by repelling sparks and hot metals
- As a Performance Collection mat, Spark-Safe™ will give you maximum durability and comfort
- Provides a combination of anti-fatigue and slip resistance for areas that require high performance

SPARK-SAFE™ APPLICATIONS

Provide a heavy duty solution for dry areas e.g.: Machine Shop, Assembly Line, Steel Mill, Maintenance Department

FEATURES

- Durable anti-fatigue mat that repels sparks and hot metal shards
- Textured surface improves traction in dry areas
- Soft foam base provides excellent anti-fatigue relief
